

*Gouverneur Garden Club
Beautification Awareness Award
Nomination Form*

“Beauty is in the Eye of the Beholder”

“How Does Your Garden Grow and Where Are They?”

It’s time for Gouverneur Garden Club’s Beautification Awareness Award Program 2017.

This year 1st -5th place will receive cash awards. Any garden nominated in years past is now eligible, except those first place winners from 2014-2016. Many of the gardens nominated in the past just missed placing yet were just as awesome. We encourage them try again.

Judging will begin June 1st then ending July 15th **We want to see their garden at its finest** so it’s important the person nominating make it clear “**when**”. After all the judging has been completed the winners will be announced/awarded in the fall.

Beginning May 1st and ending July 15th,

We are happy to receive nominations from gardens in the following areas:

Balmat, Fowler, Gouverneur, Hailesboro, Richville and Spragueville

Complete this form on our webpage or return to Sharon Villeneuve,

227 Country Club Rd, Gouverneur, 13642

Send your nominations no later than July 10th.
